

The White Choir

A non-auditioned ensemble for children ages 5-7. The children develop vocal skills through singing games and active involvement.

- Mostly unison singing.
- Rehearsal time is 30 minutes in length.
- Two concerts each year.

The Blue Choir

A non-auditioned ensemble for children ages 8-18. The singers develop vocal and musical skills through singing and rehearsing excellent repertoire, including sacred and secular literature, folk songs, and foreign language selections.

- Unison and 2-part singing.
- Rehearsal time is 45 minutes in length.
- Two concerts each year.

The Concordia Singers

An auditioned ensemble for singers ages 8-18. This select ensemble consists of advanced singers who have demonstrated outstanding singing ability, positive attitude, and commitment to excellence in performance. The Concordia Singers perform challenging, advanced level repertoire to a high degree of musical excellence in a variety of settings from local concerts to national venues. These singers also participate in the Blue Choir.

- Unison, 2-, 3-, and 4-part singing.
- Rehearsal time is 90 minutes in length.
- Minimum of two concerts each year.
- Usually involves travel.
